### Product information

Ideal for modern corporate use, this contemporary cut jacket has a sporty fit and is totally waterproof, windproof and breathable. The dual-fabric outer shell has Oxford reinforced panels for additional durability. Water resistant zippers give a sophisticated, low profile finish. The inner fleece jacket provides insulation in colder conditions or can be zipped out to be worn as a standalone fleece. The ultimate in quality, style and function combined.

### PWR Rainwear™

The PORTWEST PWR™ collection is constructed from Portwest Extreme, a premium high performance waterproof and breathable fabric. Using state-of-the-art technology, the base fabric has been engineered to provide a technical barrier against the elements. This provides the maximum waterproof, breathable and windproof protection, which far exceed the current highest requirements.

### Rainwear

The following Rainwear collections offer an outstanding choice of designs and colours, suitable for many end users. The best quality fabrics and high technology construction techniques are used throughout, guaranteeing the ultimate in all-weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care to ensure total satisfaction wear after wear.
